## FEATURES

### 1. Sales Orders Tab in Stock Maintenance

Why go to the Sales Order Enquiry screen to see what outstanding orders there are for a Stock Item?

This app lets you see them right from the Stock Maintenance and Enquiry screens.

- Select Sales Orders within a date range
- Select by Customer Code or Alpha, or search by name
- Select by a specific salesperson
- Select by the customer's purchase order number
- Show Orders with Outstanding and Backordered items
- Display Sales Orders based on tree and branch selections

It is quick and easy, and the Sales Order Enquiry is still only a click away for your more complex enquiries.

---

### IMPORTANT NOTES

- We recommend that you test the configuration of the App thoroughly in a test system prior to deploying the App in your live Greentree system.

---

### OTHER REQUIREMENTS

**Greentree Modules:** Inventory, Sales Orders

**Associated Apps:** None

## USER INSTRUCTIONS

### INSTRUCTIONS

1. Select the menu item | [Data Entry](#) | [Inventory](#) | [Inventory Item Maintenance](#) | or the menu item | [Enquiry](#) | [Inventory](#) | [Inventory Items](#) |
2. Select the Stock Item to view in the usual manner using arrow keys, entering a Code or Description, or using the Advanced Search.
3. Click on the [Sales Orders](#) tab

4. Refine your search by setting the [Selection Criteria](#):

[Date From / To](#)

Select records within a date range

[Code From / To](#)

Select based on all, one or a range of Customer Codes

[Use Alpha](#)

Tick this box and the Code Search uses the Alpha field allowing the From and To field to be alphabetical

[Salesperson](#)

Select based on all, one or a range of Salepeople

Branch	Select a specific Branch
Location	Select a specific Location
Clear Location	Click this button to clear an entry in the Location box
Name Search	Search for a customer based on part of their name
Cust. Order Number Contains	Search based on the customer's order number
Outstanding	Click this radio button to view just outstanding orders that meet the other selection criteria
Backordered	Click this radio button to view just items on backorder that meet the other selection criteria
All	Click this radio button to view all orders for the customer that meet the other selection criteria

5. Click the **Search Now** button to show the records that match your selection criteria

## IMPLEMENTATION GUIDE

Please refer to the Important Notes section above before installing and configuring this App

### APP INSTALLATION

1. Log into Greentree as the **Super** user
2. Select the menu item | **System** | **Apps For Greentree** | **Apps Module Control** | 3.  
Enter the New Registration Codes supplied and click Install App

The screenshot shows the 'Apps For Greentree Module Control' interface. At the top, there is a search bar and a 'Filter Apps' dropdown. Below this is a form with 'Enter New Registration Code' and an 'Install App' button. To the right, there are buttons for 'Delete Inactive/Expired Apps' and 'Uninstall Apps For Greentree'. The main area contains a table of installed apps.

Code	Name	Description	Active	Expiry Date	User Count	Settings	App Count
