User Instructions	3
Attachment Entry	3
Implementation Guide	4
App Installation	4

FEATURES

1. Editing attachment files

This App will allow you to edit attachments from the attachment maintenance form, rather than just viewing them.

This will add an "Edit Attachment" button to this form.

The Attachments maintenance form exists on many screens.

IMPORTANT NOTES

- We recommend that you test the configuration of the App thoroughly in a test system prior to deploying the App in your live Greentree system.

OTHER REQUIREMENTS

Greentree Modules: None

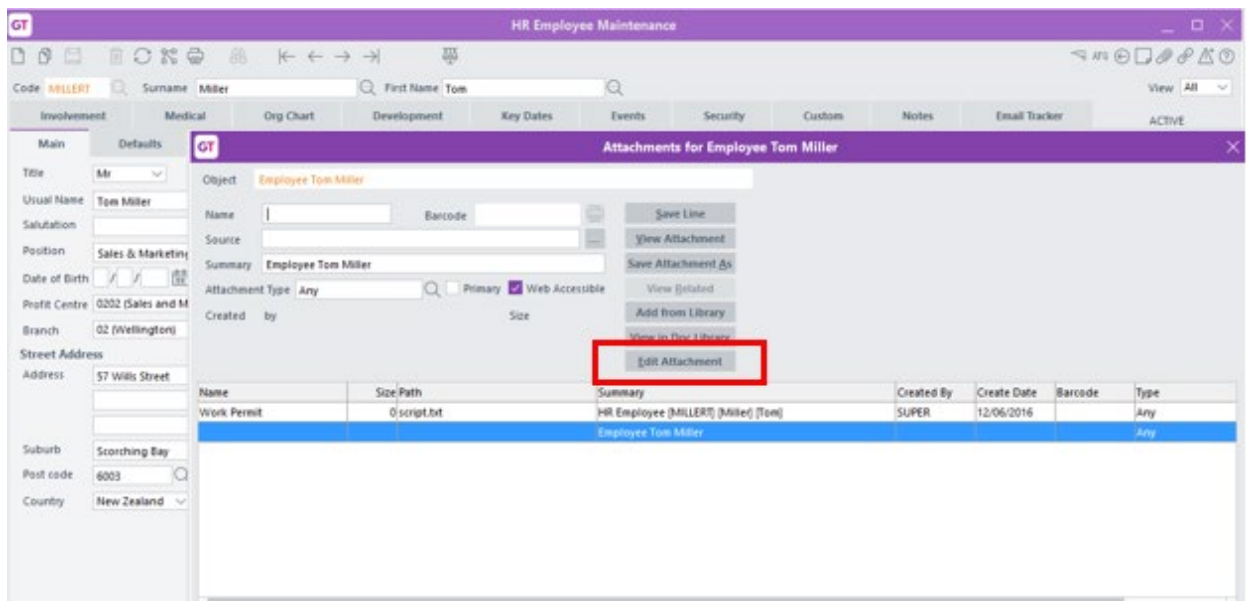

Associated Apps: None

USER INSTRUCTIONS

ATTACHMENT ENTRY

These instructions apply to any entity that allows attachments to be linked.

- The Attachments maintenance screen has one additional button when using this App.
- Edit attachment allows the contents of an attachment to be altered.
- This will only be available if you are storing attachments externally and the path is UNC for example it starts with "\\\".

IMPLEMENTATION GUIDE

Please refer to the Important Notes section above before installing and configuring this App
